VistaVu Solutions Acquires BPBD and their SAP Business ByDesign Company.

Acquisition continues to grow VistaVu Solutions' Commitment to SAP Business ByDesign business segment

Calgary, AB, Houston, TX, Dec. 5, 2017: VistaVu Solutions, Ltd. is pleased to announce that they have acquired BPBD, LLC a SAP Business ByDesign systems integration and management consulting company based in the United States.

The acquisition of BPBD includes professional staff, and existing accounts. This transaction represents the second acquisition this year for VistaVu. These acquisitions support VistaVu's plans for growth and confirms a commitment to become one of the leading software companies in North America. As both entities are privately held, financial details of the transaction will not be disclosed.

"We are excited about this acquisition. BPBD has a reputation within the Business ByDesign community as being a great service organization. They bring an established customer base and a team of experienced and knowledgeable Business ByDesign experts, and this expertise will help to extend and enhance our product and service offerings," states Jory Lamb, Founder and CEO of VistaVu Solutions.

BPBD's CEO Hans Hansen also stated "We are pleased to join forces with a company as highly regarded as VistaVu. This acquisition will dramatically strengthen our global Business ByDesign practice and deliver greater resources to our customers and prospects."

The integration of BPBD into the VistaVu Solutions team will take place over the next several weeks. During this time, customers from both organizations will continue to receive the same high-quality service and support they have come to expect from BPBD and VistaVu Solutions.
